

OFFERING
PILLARS OF SUPPORT
in our Community

Urban League of
Nebraska

The Urban League of Nebraska seeks to build a resilient North Omaha community by helping our clients navigate their challenges and negotiating solutions through strategic partnerships.

Pillars of Support Serve our Community.

EDUCATION AND YOUTH DEVELOPMENT

597

...Students engaged academically, behaviorally, cognitively and effectively through our year-round programs and initiatives.

A fulfilling education is one of the best predictors of success later in life. That's why these programs support the needs of middle and high school students in our community. Our education specialists work diligently to provide programming and services designed to promote academic achievement, one-on-one mentorship, juvenile justice advocacy, positive community social engagement, family wrap-around services and coaching.

Key Education Programs & Initiatives:

- Youth Attendance Navigator Truancy Reduction
- Violence Prevention Community Coach Program
- Whitney M. Young College Prep Academy
- Out of School Time Enrichment Programs

ADVOCACY

3,227

...Community members contacted who reached out to our office or walked in seeking referral services for basic needs of food, housing, employment and legal services.

Our team works diligently to protect the civil liberties and rights of the black community, advocate for policy reform, serve as a voice for those we serve and educate the public on civil issues affecting our region of service.

Nebraska

WORKFORCE DEVELOPMENT

268

...Adults and youth who received case-management support, employment-focused skills and who earned industry-recognized credentials.

Jobs make a difference. The income earned and skills gained from jobs have lifelong stabilizing effects on families and communities. That's why we're here to provide job training and opportunities to learn and gain work experience. We:

Evaluate | where they are

Equip | them with what they need

Elevate | them to where they want to go

Key Workforce Development Programs and Initiatives:

- Career Readiness Boot Camp
- Careers in IT
- Certifications
- Employment Support Services and Training
